

REACH Statement (SVHC - 250)

Products

This Statement covers all PAL Systems including the optional modules, accessories and spare parts, as delivered by CTC Analytics.

Confirmation

We hereby confirm that the materials applied in the manufacture of the products listed above comply with the related requirements of European Union **Regulation (EC)1907/2006** concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), as below:

1. Under the structure of the REACH regulation, CTC Analytics is a manufacturer of "ARTICLES". We do not manufacture "substances" or "preparations" and the articles do not involve the "intentional release of substances". Accordingly, we foresee no registration or pre-registration or Authorization requirement for the products we supply.
2. Article 33 of REACH - Duty to communicate information on substances in articles: CTC Analytics declares that the articles do not contain substances listed in the ECHA Candidate List of substances of very high concern for Authorisation (**SVHC candidate list 250**, last updated on 25-JUN-2025) in excess of 0.1% by weight, except the named products below:

Substance Name	CAS Number
Lead	7439-92-1

As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substances in Annex XVII, CTC ANALYTICS will evaluate and further revise this declaration to reflect these changes.
